

ECO FRIENDLY GRAY MAILERS

Euphoria Pack gray/black poly mailers are made from 100% recycled material, made with 50% post-consumer resin & 50% pre-consumer resin. These beautiful & sturdy, gray/black mailers will impress your clientele looking for eco friendly options, reduce landfill waste, and reduce demand for virgin plastics. Gray/black poly mailers are perfect for shipping a wide variety of non-fragile items. Tough but lightweight, they keep products dry, safe, and secure during their journey. Welded, high-strength seams offer maximum capacity for shipping products, no carton needed.

Features & Benefits

- High-strength seams/side seal
- Industrial matte gray finish
- Made from 100% recycled content, 50% post-consumer waste & 50% pre-consumer resin
